

# 1995 MC Nationals

July 26-29, 1995, Fleet 5 Rush Creek YC, Texas

Submitted by Herman van Beek

As predicted over a year ago, the 1995 Nationals enjoyed great winds - seven races were completed during the three-day event. Scott Slocum took an early lead on Thursday by winning two of the first three races in winds that varied between 8-12 mph. Greg Gust earned second place, followed by Andy Burdick in third. The forecast for Friday was temperatures over 100°F with light (5-10 mph) winds. We got an early start on Friday and managed to complete two races by lunch time. It was a contest between Bill Draheim and Andy Burdick; they each won a race. That win moved Andy to first place.

Regatta Chairman Dave Greene and PRO Dean Snider, Houston Yacht Club and USSailing, postponed Friday afternoon races due to the heat and variable wind conditions. Friday evening the forecast for Saturday was light and variable winds, so we did not have high expectations to get more races in the schedule. However, the weather in the Gulf changed things overnight and by the time the of the warning signal for the first race, winds were up to 12-15 mph. These conditions prevailed for the rest of the morning. Most trophy contenders took on crew and off we went for some exciting racing. Andy Burdick two bullets clinched the regatta.

Trophy winners were as follows:

Keeper trophies were handed out to the top 15 finishers plus the top three masters. Others who won keeper trophies were:
