

Western Michigan YA

Annual Regatta, Crystal Lake YC, Frankfort, MI
August 5-8, 1992

A total of 189 boats in five fleets sailed in this 63rd annual event. There were 35 Es, 37 Cs, 31 Butterflies (Junior and Open), and 86 MCs. Yes, that's another record setting fleet! Each fleet is scheduled for three single-race days and one double-race day. Unfortunately the wind deserted the Es on their two-race day. Otherwise all fleets enjoyed a variety of winds, mainly in the southwest quadrant.

Besides winning the MC event, Andy Burdick sailed off with top honors in the Cs and Es. That's quite an accomplishment and only possible with a lot of help from crew who had to have each boat ready for Andy to jump aboard just in time to sail out to the starting line after a previous class race. Congratulations to Andy and his several crew.

Crystal Lake is another one of Northern Michigan's beautifully clear lakes and several Minnesota sailors were heard to ooh and ahh about the lake.
