We had a beautiful weekend with constant light winds. The last race occurred during the normal Sunday Club racing with very little interference. Rob Protzman did a great job as always with his crew from Ft. Collins. Of course, his dad sailed on Saturday.

Enthusiasm is growing for new sailors to our MC Fleet. We hope to have one or two new boats again next summer.

We invite all comers for our weekend before Memorial Day Regatta.

We also invite all to the Steamboat Lake Regatta the second weekend in August 13-14 with informal racing on Friday and events afterwards on Sunday and Monday.

Phil Ecklund MC 2384
