WLYC Father's Day Regatta

June 16 - 17, 1990, White Lake, MI

Editor's Note: I overlooked this regatta in earlier issues. The Fathers' Day MC Regatta at White Lake Yacht Club, Fleet 24, in Whitehall, Michigan on June 16 and 17th consisted of five hotly contested races. Saturday's three races were in light to moderate variable winds from the southeast, but Sunday's races snorted black puffs and solid whitecaps. Three skippers became baptized believers and several prudent skippers stayed ashore.

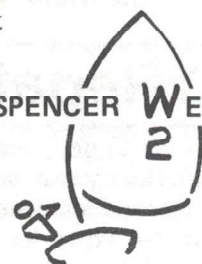

Doug McNeil of Spring Lake and White Lake sailed magnificently; the rest of us did our best to copy him. Brian McMurray of White Lake had the most consistent trophy series; Brian Wrase of Spring Lake was a solid performer for third place. Larry Brand of White Lake went for a swim during the last race but salvaged fourth overall despite his DNF. And all

hats were off to Bob Milne of White Lake for his virtuoso solo performances in Sunday's heavy air.

The Master's Division, skippers over 50 years of age, had five trophies for the five entrants, all of White Lake, so no one had to go home empty handed. All thought that was a capital idea. Better save Father's Day 1991 for this regatta next year. It promises to only get better. Spencer tells me there will be THIRTY trophy clocks!! The dates are June 15 - 16.
